There was some indication that he was a in this regard. (See Memorandum for the asked if we could give him any information on

6. Telephoned Spence Bereaford (House Space Committee) to indicate that the Director wished, if possible, to move back the date of the Agency appearance before the House Space Committee. Bereaford called later indicating the Chairman was most desirous that the Director appear on the 24th and suggested the possibility that the Director could do a portion of the briefing and appropriate assistants could do the rest. This general approach was discussed with the Director and he indicated he would be willing to start the briefing and possibly leave early. Mr. Beresford was advised of this.
